

About Shadow Riders

This year I am **encouraging and challenging** any bike rider who wants to help support compassionate ministries in South Asia to join the **Shadow riders**. We are a group who duplicate the efforts of cyclist David Argabright. He has ridden a bicycle 16,000 miles in the past five years to support Child Development Centers in South Asia.

Last year, the Shadow riders rode in Germany, Washington, Oregon, Texas, and Arizona. We raised several thousand dollars toward this ministry. We seek donations by asking our circle of acquaintances to support our efforts with small donations per mile or a onetime gift of any amount. I really would like to see several other riders from other states and countries join with us and ride for www.compassion575.com

We identify ourselves with bike jerseys which say "riding for compassion575.com" or "shadow riders" and distribute literature telling the story of the mission work in South Asia. If you are the least interested I would love to speak with you or send you more written information. Write me at kenrose64@gmail.com or call 503-341-5024.

This year we are "**lengthening our shadows**" by attempting to double the mileage of David. He completed the 2013 Nashville, TN to Austin, TX ride of 1,080 miles on April 13. Our initial goal was 2,160 miles during the calendar year.

We read in Matthew 25:34-40 what Jesus says to those who serve. It ends with saying: **"The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me' (NIV).**

I am a 68 year old retired Nazarene pastor and am thankful to have **completed the 2,160 mile goal on May 27, 2013**. I plan to continuing riding to raise sponsorship funds for children in South Asia. Thank you for your prayers and support. Please join me in riding for Christ and **Compassion 575!**
