

"Over the last few years it has blown me away to see how God is transforming village after village through the development of this CDC ministry. To watch open rice fields turn into structures of God's grace cannot be adequately explained in words. With this incredible movement of God across South Asia, it excites me and yet humbles me to know that God has chosen us, His church, to give the responsibility of helping our brothers and sisters there. Thank you to all of you who are taking this responsibility seriously." -**Pastor Jeff Jackson, South Asia Field Work and Witness coordinator.**

*"The poor are the hope of humanity. At the judgement we will be judged by how we treat the poor."* -**Mother Teresa**

**THE CHILDREN OF SOUTH ASIA  
NEED YOUR HEARTFELT  
INVESTMENT IN THEIR FUTURE**

Patana CDC, Sri Lanka

**COMPASSION 575** - a fundraiser for the children by NCM -South Asia

Child Development Centers (CDCs) meet the physical, spiritual and educational needs of children. The goal of CDCs is transforming young lives into healthy Christ followers.

Additionally, CDC facilities are ministry centers serving entire communities. They are used for community-based health care, shelters during times of natural disasters and training centers for pastors. The buildings will also be used by a local church.

**Al-Amin - Joymoni CDC, Bangladesh**

Al-Amin lives in a straw house with his family of five. His father earns a small amount of money during fishing season. However, fishing is seasonal and his father is jobless the rest of the year. The father is unable to bear the educational and living expenses of the family.

Cyclone "Alia" destroyed parts of their house and surrounded it with water. The family is battling this challenging situation as there are no funds for repairs.

An opportunity was given to Al-Amin to attend the Joymoni CDC. The CDC is the only means of education for Al-Amin. He attends regularly, participates in all the activities of the CDC program and receives one nutritious meal a day. Thank you for giving.

**3,000,000 CHILDREN DIE EACH YEAR IN SOUTH ASIA FROM DISEASE AND MALNUTRITION. THAT REPRESENTS A CHILD DYING EVERY 10 SECONDS.**

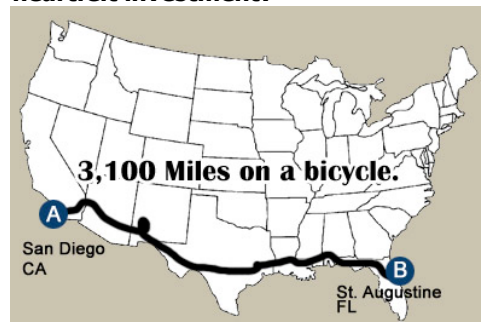

Ride across the USA - St. Augustine Beach, FL

Friends, partners and churches have responded to Christ's call to help the poor and needy. Funds have been raised to sponsor 22 new CDCs for two years (5 in Sri Lanka, 4 in Nepal and 13 in Bangladesh). Thank you so much for investing. Please help us recruit investment partners. Check out our website and facebook page and send it to family and friends.

NCM is reaching children that without the love of Christ, live in hopelessness - trying to survive in a world of poverty, disease, natural disasters, exploitation and even slavery.

The difference the Lord has made in the lives of the children that are sponsored is incredible. Please consider giving a child hope.

**2011 RIDE:** In 33 ½ days ending April 22, 2011, David Argabright completed a 3,022 mile bicycle ride from San Diego, CA to St. Augustine, FL to raise funds to sponsor children in CDCs. **Would you please pray for David on this ride and consider making a heartfelt investment?**

Bahapur CDC, Bangladesh

**YOUR INVESTMENT OF \$108 WILL SPONSOR ONE CHILD FOR A YEAR. HOW MANY WILL YOU SPONSOR?**

We are asking for sponsors for these precious children. All proceeds will be sent to Nazarene Compassionate Ministries (NCM) and 100% of your tax-deductible gift will be used to support the operating costs of Child Development Centers (CDCs) in South Asia. Will you provide hope for a needy child?

**A gift of \$9 a month or \$108 will sponsor a child for a year. A CDC of 75 children will cost \$8,100 for an entire year.**

NCM has staff in place to begin immediately serving the needs of children, but they lack the resources and are awaiting our financial support.

Thank you in advance for your prayers and support. If I can answer any questions about CDCs in South Asia contact me at [dlargabright@gmail.com](mailto:dlargabright@gmail.com)

Sincerely,  
*David Argabright*
