

Thank you Uncle, We Love You.

The last couple of months have been quite busy for the field staff as they travelled from CDC to CDC talking and making children aware of the Argabright cycling. There had been special prayer sessions in certain CDCs. Apart from it, the children have been taught to remember all donors and sponsors in their daily prayer as they are the root cause for their smile.

This said, the children who have been on constant prayer are overjoyed as their beloved Uncle finishes his task. All CDCs are announced of the great achievement of Argabright who completed his task amidst many challenges and obstacles.

Here, the children of Sri Lanka join hands in saying a very big "THANK YOU" to their most loved uncle who's Love for them is undreamed of.

We, the staff of NCML along with the parents of all CDC kids congratulate the great battle fought, while thanking for the Love and concern for Sri Lanka that is much appreciated and remembered always.
