

Dhaphkali CDC, Bangladesh

*“And if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness and your night will become like the noonday (Is. 58:10, NIV).*

**Special thanks to our partners who have sponsored 40 new CDCs and invested over \$750,000 since January 2008.**

Child Development Centers (CDCs) meet the physical, spiritual, and educational needs of children. The goal of CDCs is to transform young lives into healthy Christ followers. CDCs are ministry centers serving entire communities and are used for community-based health care, shelters during times of natural disasters, and leadership training centers.

*“The Lord works righteousness and justice for all the oppressed” (Ps 103:6, NIV).*

**CDCs provide a faith-based education that is a footbridge allowing children to escape the grip of extreme poverty and gain knowledge of our Lord and Savior, Jesus Christ.**

**-Ron Gilbert, former FSC South Asia Field**

**The children of South Asia are worth the sacrifice.**

Your investment today of \$11 a month can provide hope to a child, who without the love of Christ, lives in hopelessness, trying to survive in a world of poverty, disease, natural disasters, exploitation and even slavery.
